

Verbasnol™

For Clear & Healthy Skin

A powerful antioxidant supporting clear and healthy skin via topical and oral product applications

PURE & BENEFICIAL ANTIOXIDANTS

Verbasnol™ is an advanced age-defying botanical derived from *Rehmannia glutinosa* to boost the skin's natural ability to fight free-radical damage and nourish the skin with antioxidants for a radiant glow.

Verbasnol™ verbascoside is produced by NuLiv Science's proprietary high purification extraction technology. Our ingredient is validated by HPLC chromatography and UV spectra to be the same verbascoside produced and marketed by leading verbascoside manufacturers.
